Medical Examination Report: Only students who have been medically examined and classified as fit for all physical education activities or have parental permission to participate may be permitted to participate in GMAA activities. Such parental permission must be obtained each school year prior to participation in any GMAA activity. The undersigned certify that the above students have fulfilled all these requirements and are officially registered as full time students at the school.

School Principal

Rule IV Registration

Section 1

A list of all students entering contests shall be sent, on special forms provided, to the GMAA office. The ages recorded on these lists shall be those registered on school records and must be certified by the principal, both as to age and eligibility. The player registration form must be submitted to the GMAA office before the deadline.

A Supplemental Player Registration Form can be sent in to the GMAA office for any student who is not listed on the Official Player Registration Form for that team. The Supplemental Form must be in the GMAA office before that student participates in a GMAA game. Players can be registered at any point during the regular season. Be sure to check the playoff eligibility rules before that student competes in any playoff games.

Section 2

Supplementary registrations may be submitted during the regular season.

To change categories:

1st game at higher category: GMAA must be notified by phone

2nd game at higher category: the player must be registered at the higher category.

A supplementary Registration form must be sent to GMAA prior to the game played

Rule II- Player Eligibility

Please return this form with appropriate signatures and payment to the GMAA office
